ACKNOWLEDGEMENTS

Alhamdulillah, a deepest gratitude should go to Allah S.W.T, this research would have never been completed without great love, grace, blessing, and mercy from Him. I should thank for the invaluable physical and spiritual guide from Allah SWT which has been lent for me during the process of this research. Shalawat and Salam are addressed to the final, chosen, religious messenger, the Prophet Muhammad S.A.W. This thesis has been finished, under the assistance, guidance and love of some people. Therefore, I would like to express my greatest gratitude and appreciation, especially to:

1. My first advisor, Riski Lestiono, M.A and my second advisor Kharisma Naidi W.S, M.Pd, for their suggestions, guidances, advices, encouragements and their times during the advising periods, even life lessons. May Allah always bestow them an endless blessing and protect them and their family. Aamin.
2. My beloved parents "Mrs. Muntiyah and Mr. Jumino", and also my sister "Dinar Mufieda Sarasasih" who always pray, encourage, give love and compassion, giving material I need, work hard, always try to do the best, support me all the time and given a smile and happiness in my life for their sacrifice and motivation, without them I would never have the power to finish this thesis.
3. My super best friends Erlina Puspita Istikomah, Andri Risandani, Yunita Miftahul Jannah, Maulidea Putri Artikasari, Wella Gusti Arini, Nadia Pawestri, Adam Nur Miswari and even all friends that I know who always give their unconditional love, motivation, support, spirit, care, kindness, togetherness and a lot of great things that encourage me to complete this thesis especially when I was

in situation laziness and tiredness in doing this thesis. Thank for being a part of my life.

4. My special, Ridho Pamungkas who has been my greatest person all over the world, who has always been a source of motivation for me to be a better person.
